

USER'S GUIDE

CommentCounts is an online database of the public comments received in response to the ***Medicare and Medicaid Programs: Minimum Staffing Standards for Long-Term Care Facilities (CMS-2023-0144)***. Comment Excerpts from the public comment text is organized in CommentCounts by outline headings. CommentCounts also contains all significant comment document files from the docket. Use this User's Guide to get started using CommentCounts.

Depending on your access level, you can use CommentCounts to:

- Search the database of organized comment excerpt text in many different ways
- View, download, and print the original comment document files
- Generate MS Word or Excel reports of the categorized comment excerpt text

Please submit all questions to Melissa Spivey, Abt Site Administrator, who can be reached at Melissa.Spivey@abtassoc.com.

A screenshot of the COMMENT COUNTS login page. The page has a dark purple header with the text "Powered by Abt Associates" and the "COMMENT COUNTS" logo. Below the header, the text "Please Login Below" is displayed. There are two input fields: "Email:" and "Password:". Below the password field is a "LOG IN" button. At the bottom of the login area, there are two links: "Request Password Reset" and "Quick Start Guide". A grey callout box on the right side of the page contains instructions: "Email – your agency email address", "Password – use the temporary password located in your new account email for initial login, then create a unique password", "Use this link if you forget your password.", and "The User Guide will help you get started." Arrows point from the callout box to the email and password fields, and to the "Request Password Reset" link.
